A REPORT ON SWACHHTA PAKHWARA

(16th September – 30th September, 2016)

Swachhta Pakhwara was jointly organized by the Archaeological Museum & Sub Circle, Sanchi in full swing from 16th September to 30th September, 2016 at Sanchi. Following programmes were conducted during the Pakhwara.

1) General Cleaning and maintenance of stores

The unwanted material was removed from the store rooms and the useful material was re-arranged in systematic manner. The store rooms have also been cleaned up by way of dusting, sweeping etc. The complete staff and Museum Head were deeply involved during the cleaning work.

General Cleaning and maintenance of stores

2) Preparation of Auctioning of old and unserviceable material

In continuation of Swachhta Pakhwara; some old and unserviceable material were selected for auction.
